

COMMUNITY IMPLEMENTATION OF SOCIAL-EMOTIONAL LEARNING

Since 2017, CYD has been an active community partner with the Bartholomew Consolidated School Corporation's Counseling Counts Initiative. Essential to our collective work is the commitment to expand 40 Developmental Assets® and Developmental Relationships® training and resources for youth, families, and professionals to improve social-emotional health community-wide.

WHY DEVELOPMENTAL ASSETS

Data collected from Search Institute surveys of more than 5 million children and youth from all backgrounds and situations has demonstrated that the more Developmental Assets young people acquire, the better their chances of succeeding in school and becoming happy, healthy, and contributing members of their communities and society.
