Today's Topic

State of the Child 2019: Key Challenges and Solutions for Our Kids

Overview

- To improve the lives of all Indiana children, having access to reliable data and resources can educate and equip those who impact youth.
- Being familiar with the best and most recent information on child well-being helps leaders, policymakers, youth workers and advocates create positive change for youth.

Today's Topic

State of the Child 2019: Key Challenges and Solutions for Our Kids

Objectives

- learn about the top challenges for kids in Bartholomew County, and Indiana as a whole, and what we can do to ensure all Hoosier kids thrive;
- hear best practice research on successful approaches to key issues;
- be empowered with the information needed to inform policies, practices and decision-making that improve the health and well-being of Hoosier youth.

Reflection

What is one new thing you learned today?

What is one thing you will take away today and implement in your work with youth and families?

What resources do you want to learn more about or do you have to offer others?
