Questions about  
Technical Issues

# Who is IYI?

Our mission is to improve the lives of all Indiana children by strengthening and connecting the people, organizations, and communities that are focused on kids and youth.

# Today's Presentation

## TOPIC:

*State of the Child 2020*

## PRESENTER:

*Clint Kugler, VP of Statewide Engagement & Advocacy*  
*Kevin Enders, Director of Statewide Engagement*

*Championing Kids. Strengthening Communities.*

A young child with light brown hair is captured mid-swing on a green plastic swing set. The child is wearing a white t-shirt with a colorful pattern, blue denim jeans, and blue sneakers. The background is a bright, cloudy sky. The text "State of the Child" is overlaid in large red letters across the middle of the image.

# State of the Child

**Bartholomew County**  
**April 22, 2020**

# Why the state of the child?

Understand top challenges facing youth.

Access critical data and solutions.

Advocate, empower and inspire action.

Work together and be responsive.

# To improve the lives of all Indiana children.

*\*For each indicator, higher rankings (1st) represent better outcomes for youth.*

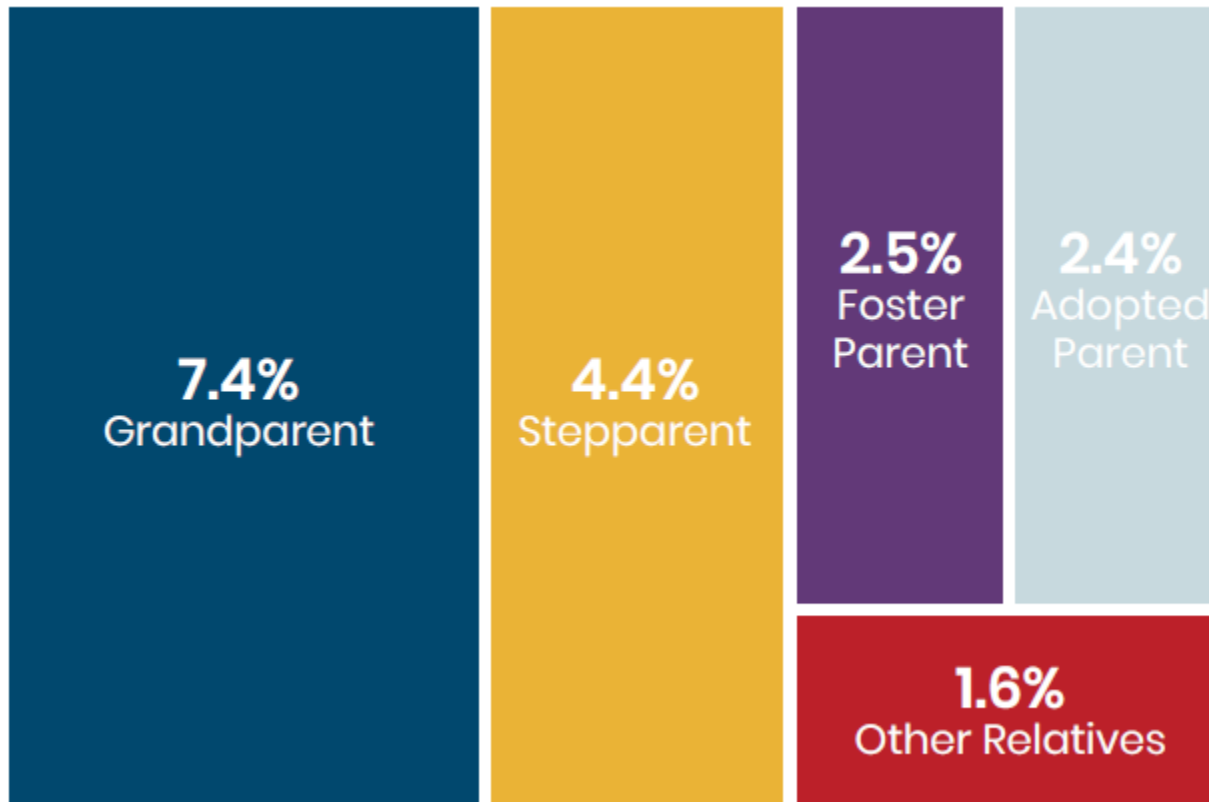

**Hoosier children live in many different types of families.**

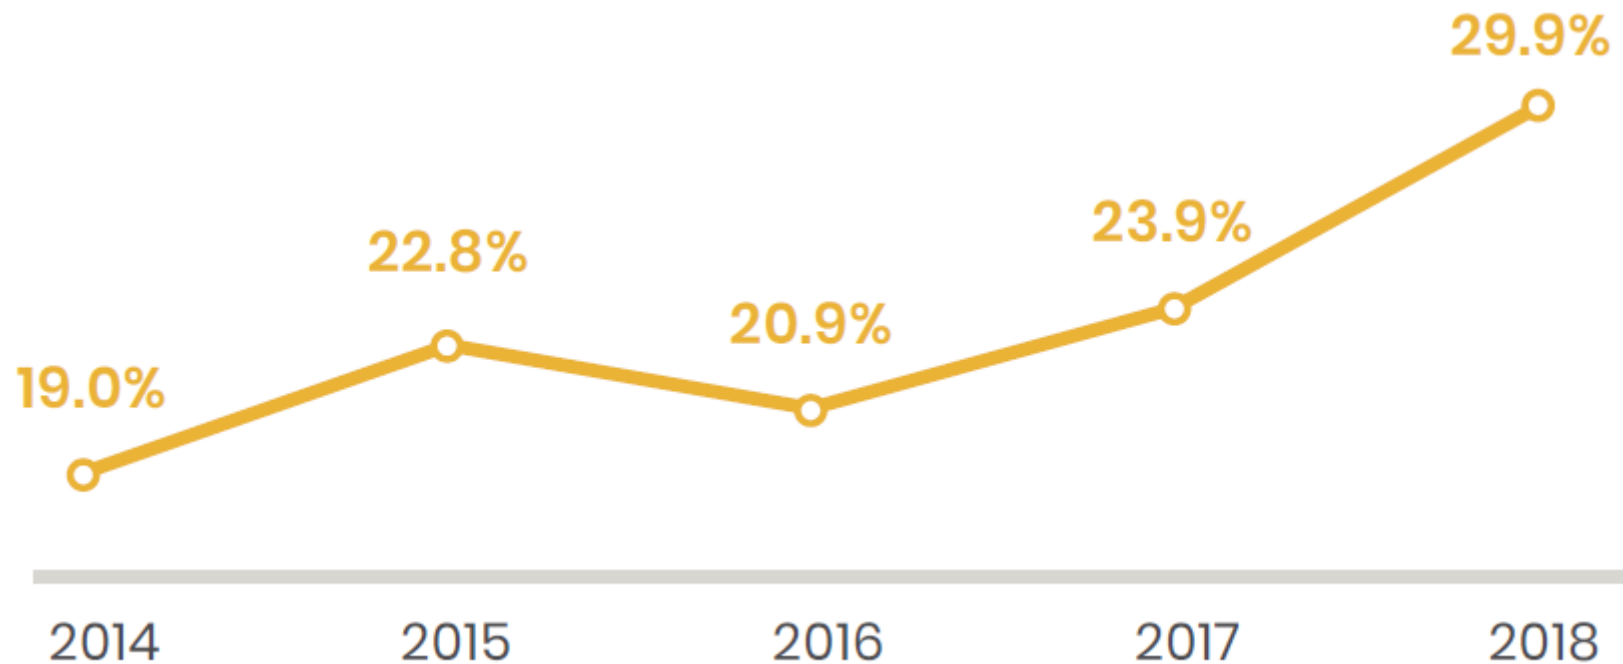

# Primary Householder

# Grandparent Kinship Caregivers

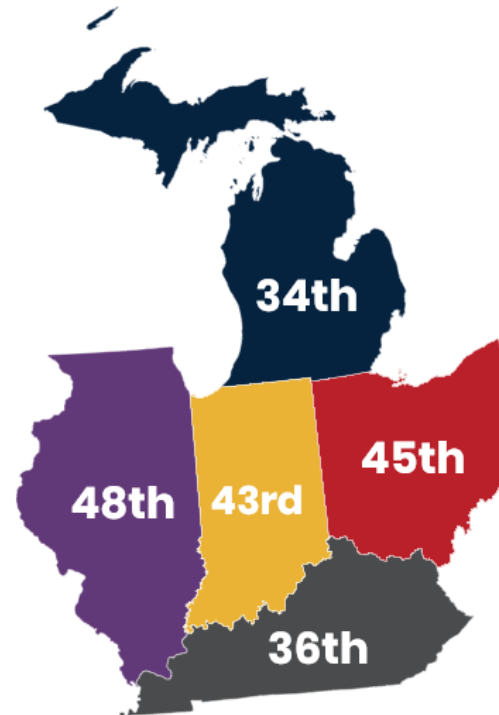

**The physical surroundings of where kids and families live have an impact.**

## Indiana is ranked as the third worst for air pollution compared to our neighboring states

**Supportive foundations are crucial to children's well-being and long-term success.**

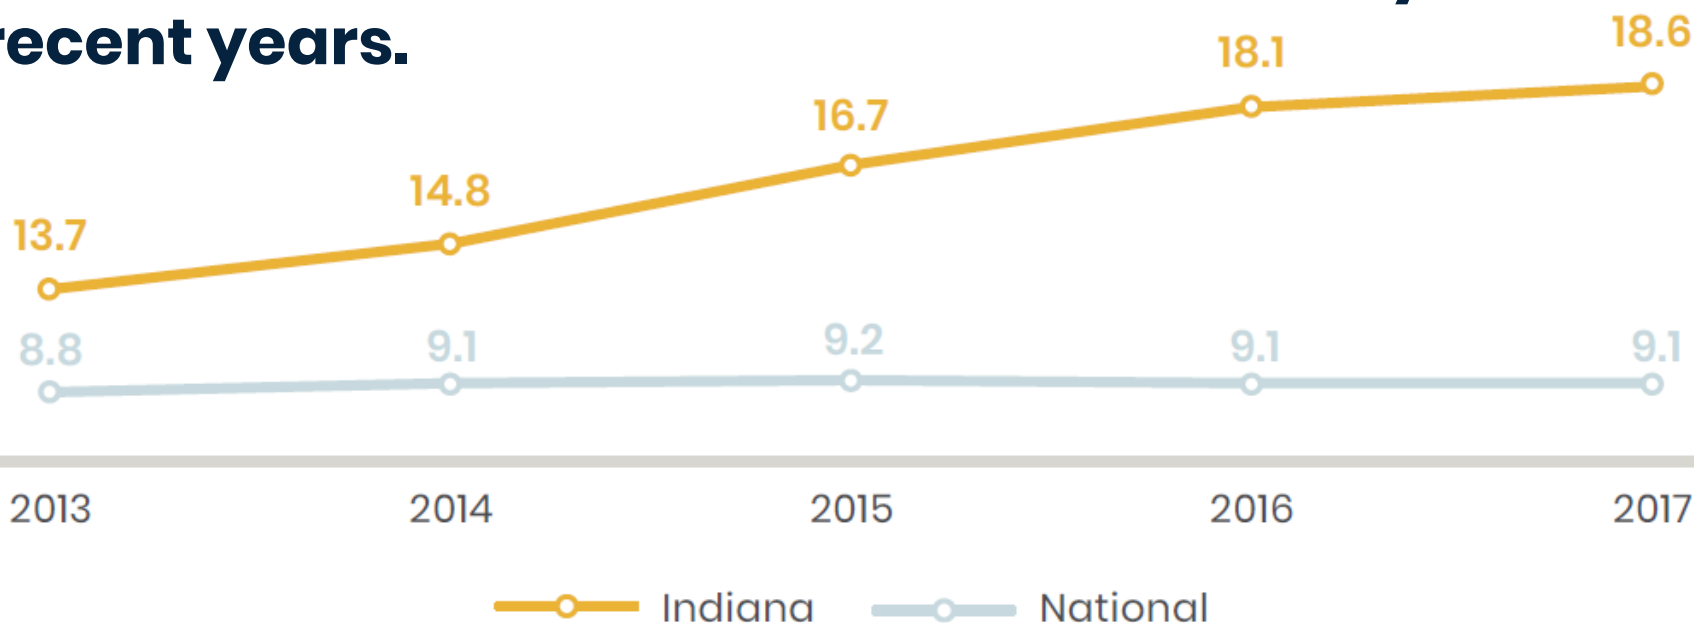

# Family & Community Spotlight

## Child Maltreatment-The Impact

**Indiana's child maltreatment rate has steadily increased in recent years.**

**Bartholomew:** **15.9**  
2015

**9.8**  
2018

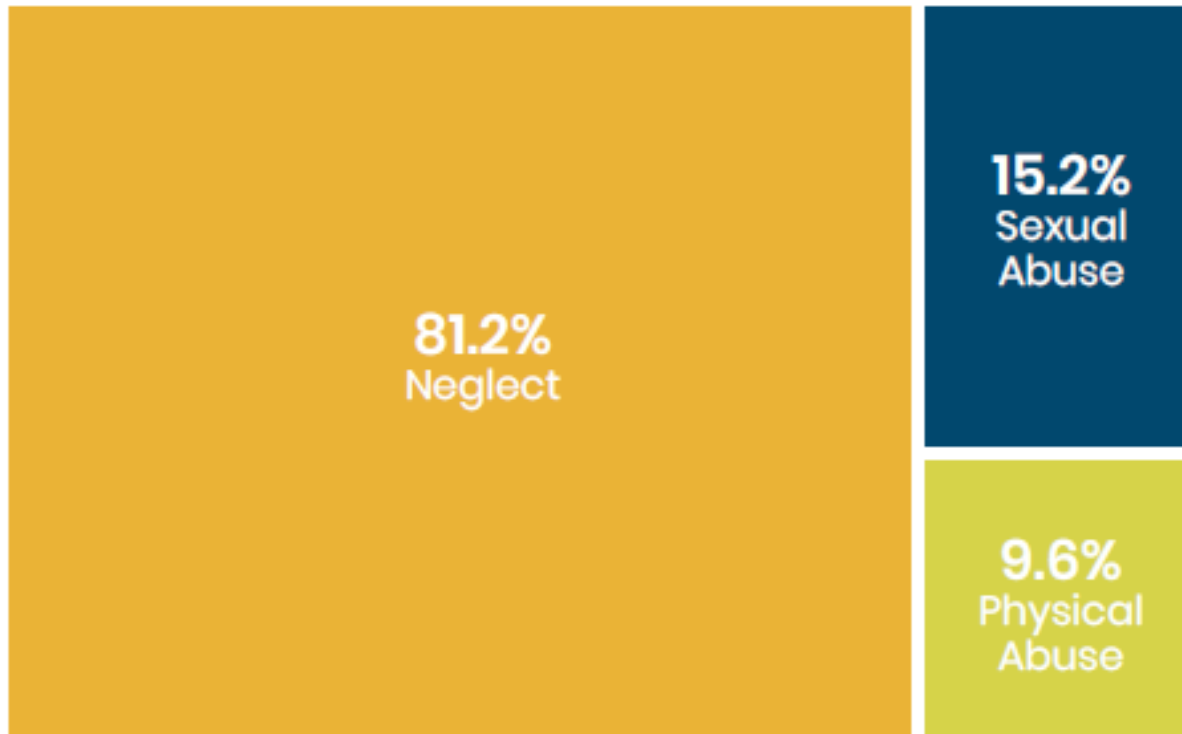

# Family & Community Spotlight

## Child Maltreatment-The Impact

**Neglect is the most common form of maltreatment.**

# You are a Mandated Reporter

- Every adult in the state of Indiana is a mandatory reporter of child abuse and neglect.
- DCS operates a 24-hour, 7-days a-week hotline for reporting suspected child abuse or neglect:  
**1-800-800-5556.**

# What Solutions are Possible?

- ✓ **Volunteer** to be a CASA or foster parent.
- ✓ **Establish reporting procedures** for your organization to follow if child maltreatment is witnessed or suspected.
- ✓ Encourage **cross-sector collaboration** to address child maltreatment and support local families.

# Economic Well-Being

Child and  
Teen Deaths

\* For each indicator, higher rankings (1st) indicate better outcomes for youth.

**To promote overall health, it is critical to consider differential factors within health outcomes.**

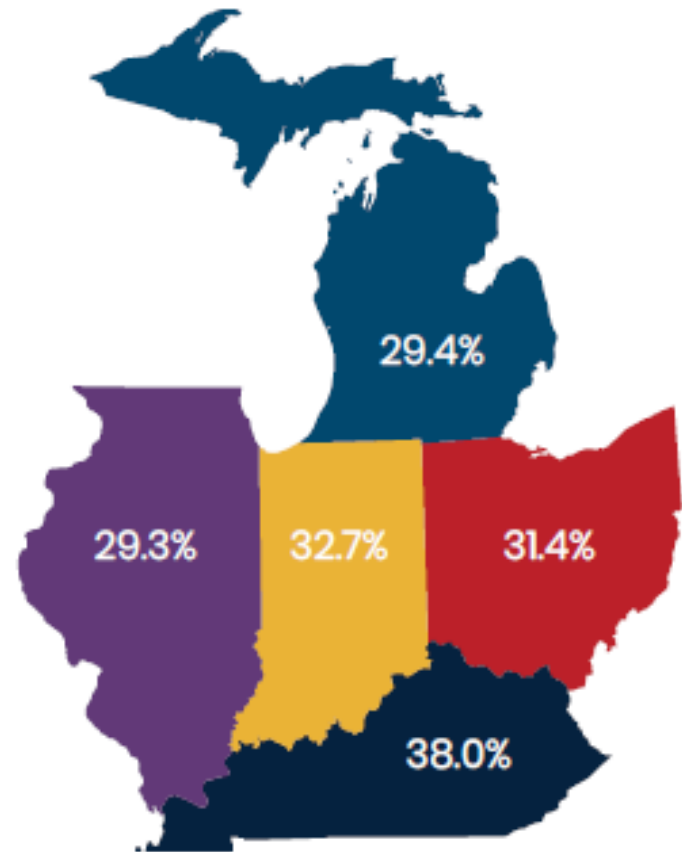

# Health Spotlight

## Contributors to Health and Well-Being

Children Ages 10–17 Who are Overweight or Obese, Indiana and Neighboring States:  
2017–2018

- **1 in 3 children ages 10–17 are overweight or obese**
- **1 in 6 Hoosier children are food insured**

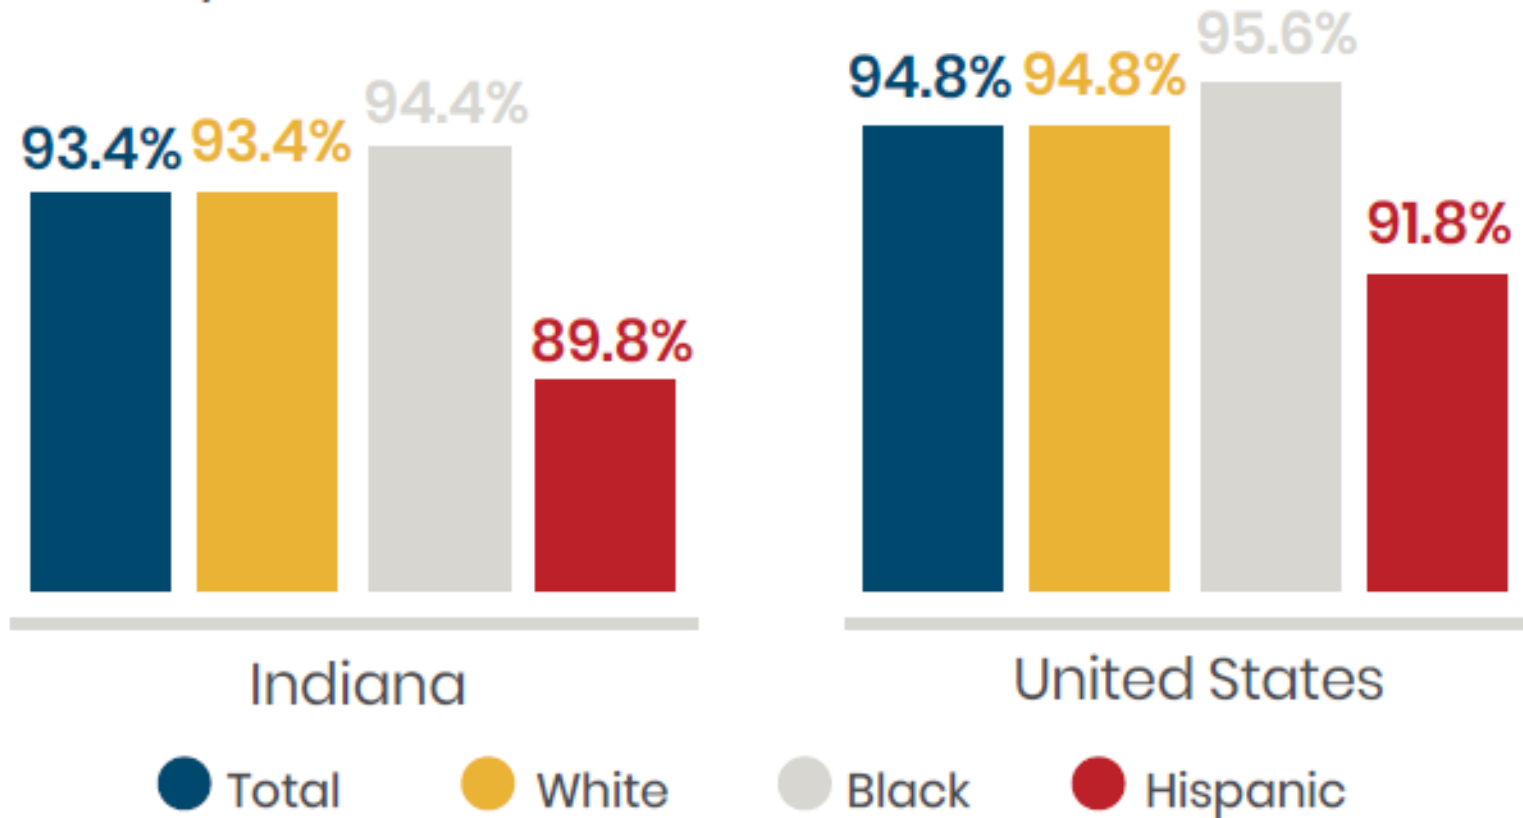

# Health Spotlight

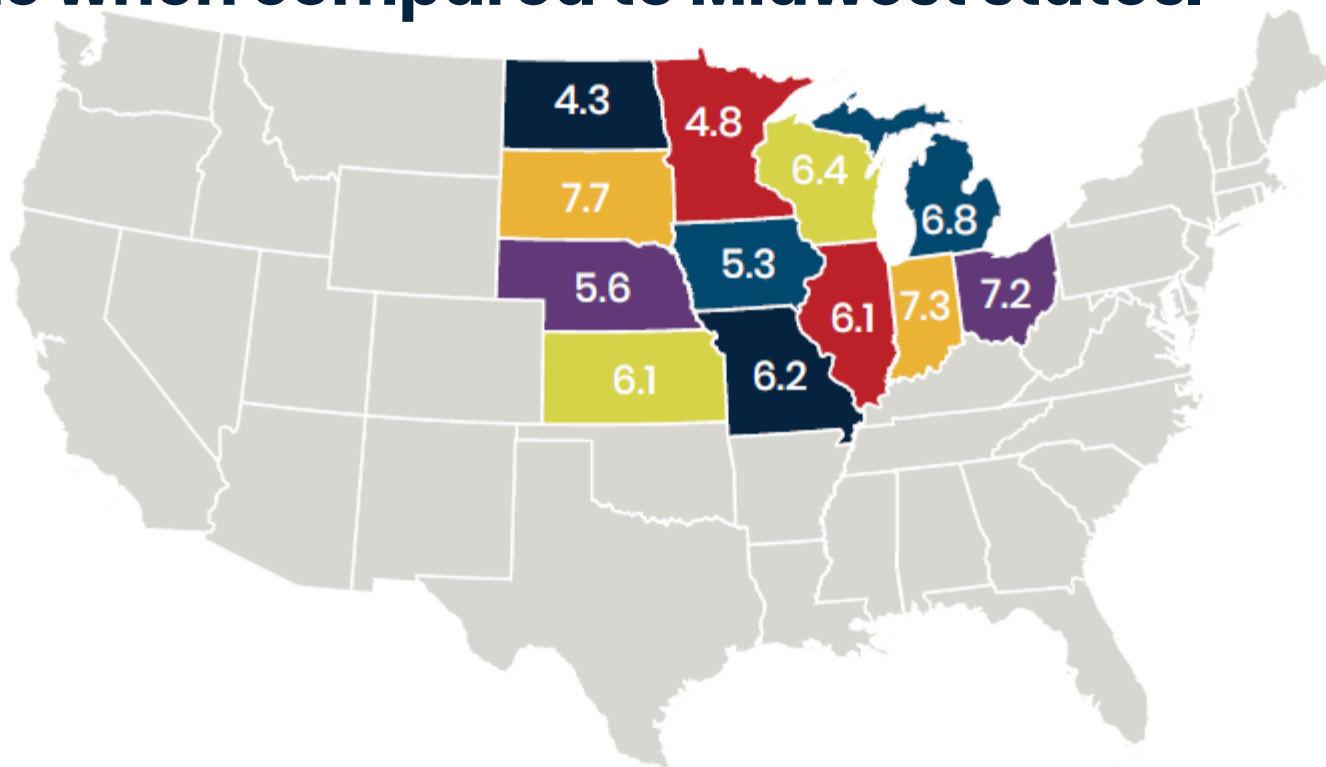

## Contributors to Health and Well-Being

**Hispanic Hoosier children are the least likely to have health insurance.**

## Indiana has the second highest infant mortality rate when compared to Midwest states.

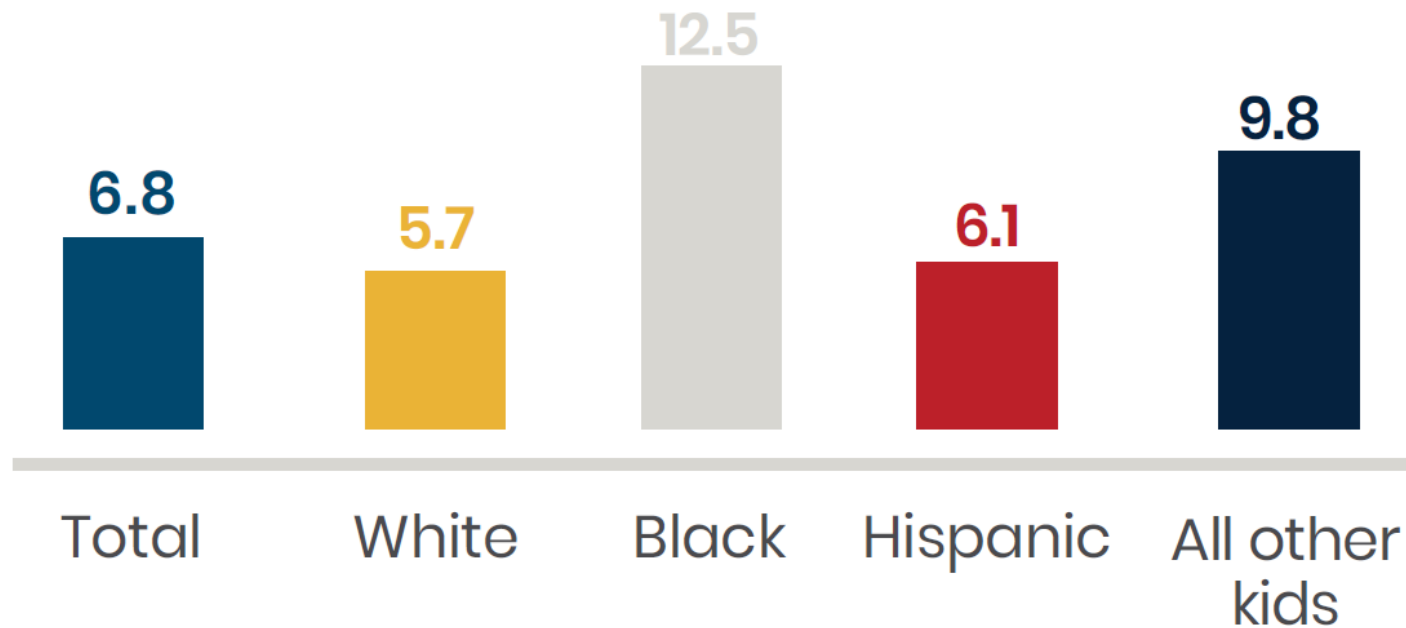

**Bartholomew:**

**15**  
2015

**3**  
2018

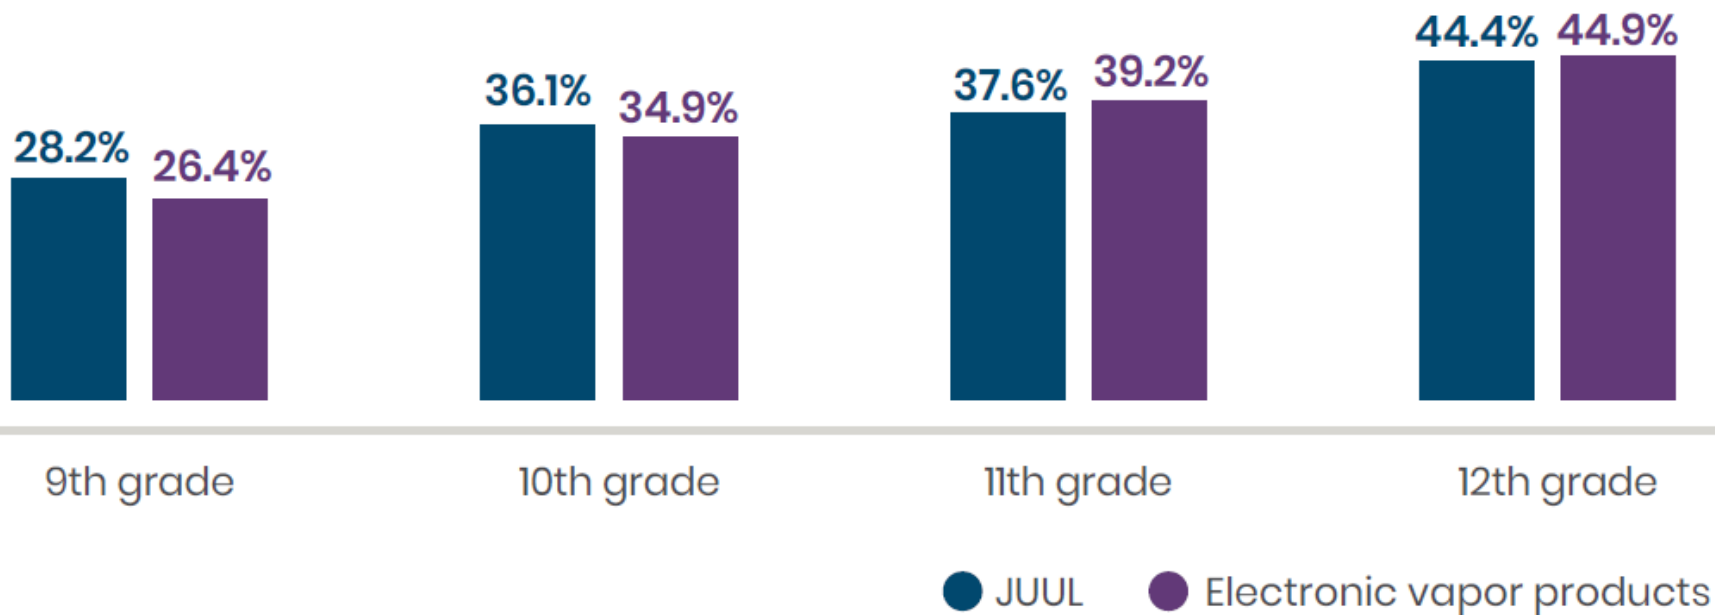

## Black infants are most likely to die before their first birthday.

## More than 40% of 12<sup>th</sup> grade students reported having use JUUL or Electronic Vapor Product.

# Group Discussion

What information did I hear that I care about and need to learn more about.

# What is the state of the child?

**It's in all our best interest  
to make sure each and  
every child is healthy,  
engaged and supported.**

# Call to Action

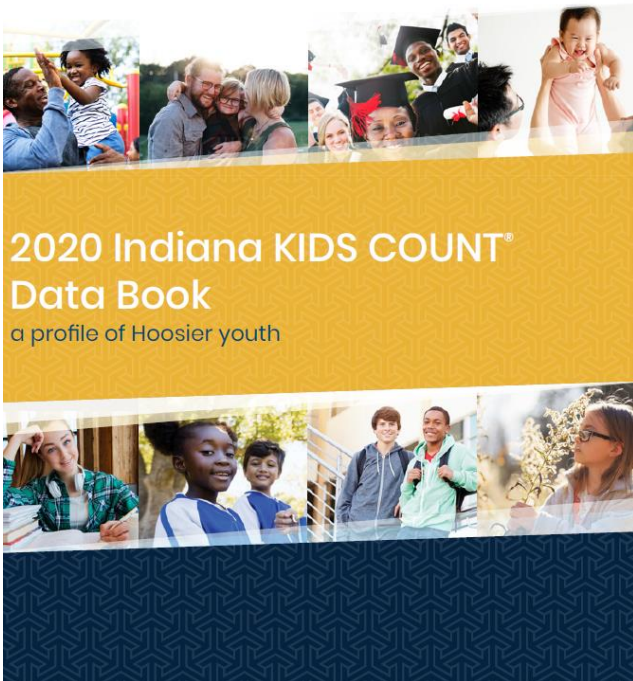

Understand and commit to addressing disparities.

Challenge the status quo, seek and deliver solutions.

Work together to increase shared impact.

Build deeper understanding of data and trends to inform actions.
